

Shari Green, Author

Hi! I'm Shari Green, author of books for kids and teens.

About me: I was born in 1963 in Vancouver, BC, Canada, and grew up in Port Alberni, BC. I was the second of four kids of a Presbyterian minister and an elementary school teacher.

Now I live in Campbell River, BC. I'm married and have four grown-up kids (they are all very awesome!) and a sweet old Brittany Spaniel named Mac.

Besides writing, I work as a nurse. Long before I was a writer or a nurse, I had jobs as a cashier, a medical secretary, a gymnastics coach, a lifeguard, and a few other random things.

Me and a sea star, 2014

I'm crazy about stories — I love reading and watching movies. And I'm crazy about the beach! I spend lots of time exploring tide pools and taking pictures of all the amazing sea critters I find. And of course, I'm crazy about my wonderful family. Whenever we all get together, there's a lot of laughter!
